in Specialized Ministries in
The United Methodist Church

Spiritual Formation

Educational Requirements

Individuals seeking professional certification in Spiritual Formation in The United Methodist Church must meet the standards set by the General Board of Higher Education and Ministry's Division of Ordained Ministry (GBHEM). These include successful completion of five (5) certification courses relating to Spiritual Formation. Specialized ministers are certified by the annual conference Board of Ordained Ministry (BOM), in cooperation with GBHEM.

Courses are designed to provide a graduate academic foundation. Other requirements for certification include personal and church qualifications and experience in the area of Spiritual Formation, as determined by GBHEM. The five courses include theories and methods of teaching the Bible, exploration of the pedagogical and theological bases for ministries and equipping people as disciples for the transformation of the world. Courses also include an understanding of The United Methodist Church, its structure, curriculum and resources.

Each course must be offered for no less than two (2) semester (or equivalent quarter) hours of graduate academic credit. All certification courses must be taken at a United Methodist seminary or approved graduate school. Exceptions may be made for other seminaries on the University Senate-approved list in consultation with an annual conference BOM and GBHEM.

Three of the five courses may be taken online. Candidates may participate in more than one course each year. A maximum of ten (10) years is allowed for the certification studies in ministry careers. Two years' experience working in a specialized area is required for certification.

Experience is defined as a contractual agreement with supervision, accountability, evaluation and continuing education in a specialized ministry area. Sufficient experience is approved by the annual conference BOM and may also require pre-approval.
