

DREAMING OF POSSIBILITIES AND POTENTIAL

What is your big dream?
What is the first step toward realizing it?

"At Gibeon the LORD appeared to Solomon in a dream by night, and God said, 'Ask what I shall give you.'"

1 Kings 3:5, ESV

"Dreams always come from behind you, not right between your eyes. It sneaks up on you. But when you have a dream, it doesn't often come at you screaming in your face, 'This is who you are, this is what you must be for the rest of your life.' Sometimes a dream almost whispers. And I've always said to my kids, the hardest thing to listen to—your instincts, your human personal intuition—always whispers; it never shouts. Very hard to hear. So, you have to every day of your lives be ready to hear what whispers in your ear; it very rarely shouts. And if you can listen to the whisper, and if it tickles your heart, and it's something you think you want to do for the rest of your life, then that is going to be what you do for the rest of your life, and we will benefit from everything you do." (Steven Spielberg, Harvard Commencement Speech)

PRAYER

God, you have a purpose for my life, and you see my destiny and dreams of what I want to achieve and be. Help me make the dreams of those I lead become reality.
