

Ending EM360 FAQ

Will I be able to access my EM360 reports after EM360 shuts down?

No. You will need to download and save your EM360 reports before our final date.

When will EM360 shut down?

EM360 will shut down March 27th, 2023.

How do I download past reports?

If you wish to download and save a pdf of your report, we'd encourage you to take the following steps:

- Go to <https://gbhem.bluera.com/gbhem/>
- Select the EM360 version you completed (Clergy or Candidate) and the email address you used.

Will GBHEM be providing a replacement assessment tool for Church Leaders and/or Candidates for Ordained Ministry?

We do not currently have plans to do so. GBHEM is increasing its commitment to resource the worldwide Church and Academy in the full diversity of its settings. As we seek to be good stewards of denominational resources, we can invest declining apportionment dollars on new ministries, products and services that will have a greater impact.

Are there other resources that GBHEM recommends in lieu of EM360?

We are working with our partners at *Explorance*, who specialize in workplace assessments, to help us identify options. Check back for an updated list.

How will data from EM360s be protected?

Our Data Governance team is working with EM360's hosting company, *Explorance*, to ensure that all data will be handled appropriately. GBHEM will receive all data from their servers and store it on GBHEM's secure system. We will then directly oversee the full deletion of all data from *Explorance's* servers.

Will information or data from EM360s be shared?

No individual data will be shared with any entities or individuals. Aggregate data is being analyzed by GBHEM so that we can learn as much as possible from EM360. Assuming results are of interest, GBHEM may share aggregate data and lessons learned with Church and Academy leaders.

I have a question not covered by the ones above. How do I find additional information?
