Military Chaplain Candidate Program

The United Methodist Endorsing Agency provides ecclesiastical approval for United Methodist seminary students to participate in the military Chaplain Candidate program.

The Army, Navy, and Air Force each offer qualified seminary students the opportunity to be commissioned as military officers and participate in chaplain learning experiences. Chaplain Candidates do not serve as chaplains; the program is designed to provide training and experience for those exploring a call to future military chaplaincy, either on active duty or with the reserve components.

Applicants must be eligible to receive a commission as military officer. Participants are paid for their training days commensurate with the military rank. Military requirements and policies are subject to change; always check with your recruiter for the current requirements and specific guidance.

Requirements for Military Chaplain Candidates

Endorsing agency requirements:

- Must be enrolled in a seminary approved for United Methodist students pursuing ordination: <https://www.gbhem.org/students/seminary/list-of-approved-seminaries/>

Minimum military requirements:

- Meet height, weight and age requirements.
- Be a citizen of the United States and be eligible for a security clearance.
